PRIMARY EXAMINER

Allowable Subject Matter

1. Claims 1, 2, 4, 5, and 7-17 are allowed.
2. The following is an examiner's statement of reasons for allowance: The primary reason for allowance of the claims is the inclusion of limitations to the open space, specifically the open space is formed by attaching longitudinally opposing peripheral edges of the back side sheet in the longitudinal direction and the open space becomes smaller toward the end of the peripheral edges and a part of the peripheral edge of the back side sheet away from the end of the peripheral edges is opened to form a finger insertion opening. The cited prior art Johnson and McFall do not anticipate or render obvious the combination of limitations in claims 1 and 17.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jacqueline F. Stephens whose telephone number is (571) 272-4937. The examiner can normally be reached on Monday-Friday 9:00-5:30.
